SUMMARY OF THE PROJECT

The project consists of the 4 phases:

Youth Entrepreneurship Conference

16 - 19 February, 2018 - Yerevan, Armenia

The conference will serve as a launch of the project bringing together young people, youth workers, prospective entrepreneurs, start-up experts, successful practitioners from 4 partnering countries. It will serve as a platform for exchange of success stories, good practices and knowledge from the experience of participating guest speakers and successful young businessmen.

Training Course about Youth Entrepreneurship

20 - 28 April, 2018 - San Benedetto del Tronto, Italy

The participants will be the young people and youth workers that have already took part in the conference, selected their start-up business idea and are ready to gain knowledge, skills and resources that will help them to become successful entrepreneurs and be more active in social, political and cultural life of their communities.

Youth Entrepreneurship Workshop

27 July - 1 August, 2018 - Madrid, Spain

The main aim of the workshop will be to raise the awareness of the participants about the process, challenges and risks of starting up a new business as well as to equip them with the tools required for a successful start-up.

Closing Event and Conference

5 - 7 October, 2018 - Tbilisi, Georgia

The Conference will summarize the achievements of the participants as they will present their final business plans and the actions that they will start when they will be back home to bring their business into life.

“Dream, Believe, Achieve” is a one-year capacity building project jointly implemented in four partnering countries – Armenia, Georgia, Spain and Italy, with the main goal to support development of entrepreneurship among unemployed or underemployed youth of partnering countries especially in the field of tourism. Our project will go in line with the European Strategy “Investing and Empowering young people” the most relevant aspects of which is to improve competences of young people and their personal and professional development through non – formal education in order to give them better opportunity to find job and being an employee.
